Venetic Boards & Interiors

VENETIC
BOARDS & INTERIORS

BUSINESS PLAN

Where passion and precision co-exist!

1. Executive Summary

Business Name: Venetic Boards and Interiors

Location: Unit 211 C/O Hammer & Spanner Crescent, Teguka Business Park, Philippi East 7750

Business Type:

Melamine board reseller (cut-to-size & supply)

Interior design & installation (kitchens, wardrobes, TV units, free-standing units)

Vision:

To become the go-to affordable cut, edge, and interior solutions provider in the township.

Mission:

To deliver stylish, durable, and affordable home and office fitting and joinery services of high quality.

2. Business Overview

What we offer:

Sale of melamine boards (various finishes)

Sale of post form counter TOPs and hardware

Cutting & edging services

Kitchen unit design & installation

Wardrobes & built-in cupboards (BICs)

TV stands, office desks, shelving, free-standing units

Products & Services

Boards

White, woodgrain, high-gloss finishes

Sold per sheet or cut-to-size

Interior Installations:

Kitchen cupboards

Wardrobes (BICs)

TV wall units

Office/home desks

3. Market Analysis

Target Market:

Township homeowners

Young professionals upgrading homes

Rental property owners

Small businesses (salons, offices)

Developers

Government and NGOs

Demand Insight:

High demand for good quality, affordable kitchen & wardrobe installations

Many customers prefer installment-based or phased upgrades

Limited local suppliers → opportunity to dominate the area

Competitors:

Hardware stores (e.g. Gelmar, Multifix)

Local carpenters (often informal, inconsistent quality)

City Boards

I.A Boards

Boards for Africa

Our advantage:

Professional service + design + supply = one-stop shop

4. Business Model

Revenue Streams:

Board sales (markup 20–40%)

Cutting & edging fees

Installation labour

4. Business Model

Revenue Streams:

Board sales (markup 20–40%)

Cutting & edging fees

Installation labour

Call-out + Design consulattaion

5. Startup Requirements

Final payment

7. Marketing Strategy

Low-Cost Marketing:

WhatsApp Business catalogue

Facebook Marketplace

TikTok/Instagram before & after videos

Distribute flyers in and around the township

Word-of-mouth referrals

8. Pricing Strategy

Example Pricing:

Kitchen (small): R8,000 – R25,000

Wardrobe: R4,000 – R15,000

TV unit: R2,500 – R13,000

We offer:

Budget options

Payment plans (if possible)

9. Financial Projection

Monthly:
4 kitchens × R15,000 = R60,000
6 wardrobes × R7,000 = R42,000
Misc jobs = R50,000
Revenue: ~R152,000
Expenses: ~R60,000
Profit: ~R92,000

10. Growth Plan

Phase 1:
Start a small workshop
Hire assistants
Supply other carpenters
Build reputation

Phase 2:
Buy better machines
Phase 3:
· Move to bigger wharehouse
Build showroom/s

11. Risks & Solutions

Risk	Solution
Customers don't pay.	Take deposits
Material price changes	Adjust quotes weekly
Competition	Focus on quality & branding
Cash flow issues	Keep low stock, fast turnover

12. Unique Selling Proposition (USP)

• Affordable township-focused pricing
• Modern designs (not old-style carpentry)
• Fast turnaround
• One-stop service (design + supply + install)
